Docks are owned by NSBC. Dock users are responsible to help with the maintenance of the docks and required to help with installation and removal each year. Each year you will need to indicate if you will be using your slip or if we can rent it out to a person on our waiting list. Dock fees are due by May 1st along with your membership dues. If NOT received by May 15th your slip will be given to the next person in line on the waiting list.

We on occasion will have slips that are available on a rental agreement if the permanent leaser is not going to use their slip. Dock fees are \$350.00/yr. If you are just wanting weekends or occasional user it is \$25.00 a day to rent a slip. This must go through the Dockmaster and NOT through a Boat Slip member. Slip fees are payable to NSBC at PO BOX 253, Cedar Falls, IA 50613 or give to the Dockmaster. Please go to our website www.northshoreboatclub.com and download and read the Dock rules. If you need a GATE key please let the Dockmaster know as well. They are \$5.00.

NO one is allowed on the docks unless they are with a member of the North Shore Boat Club.

The gates are to be locked at all times (unless you are just hanging out on your boat in the slip). You must lock the gate when you leave.
