Joni gave a report on membership:

Joni provided us with an overview/summary of the Survey Results

Feedback from survey:

- 1) People don't know new members/are members being introduced/made to feel welcome?

Julie suggested that Joni, as membership chair, introduces new members and the reason they joined, at potlucks, right before the raffle

- 2) Members don't feel like they know what is going on
 - a) Sarah (secretary) will print off some copies of the meeting minutes each month and put them at the bar for anyone who wants to pick them up/read them at the potlucks
 - b) Julie and Nancy will work on a calendar of events for new members

Discussed a 'membership drive' or membership appreciation night at the June 20th Potluck - "Bring a friend to the June Potluck"

Building and Grounds – Randy reported that he is going to move 5 more planters over to the cement slab; has a committee to help with grounds. Randy will come up with a budget to be approved for plants/things he needs for grounds

Docks: Andy brought up that we are going to need new cables to tether docks to shore. This will cost approximately \$2000. Cables could be stored in the white dock boxes. He'll measure and give a more accurate estimate.

They have \$90 in the account. They will need raffle prizes for June.
